\$ FY18 Project Budget: \$272,500

Total Project Budget: \$272,500

The court and City Council often compete for the usage of the existing court chambers at City Hall. As court usage steadily increases, the need for a dedicated full time court house is becoming a basic need. The extent of this project is to remodel the interior of the building on 55 Sinagua Drive. This will be a full remodel and will ensure court functions and needs are met.

Status: Don Woods Architect is currently finalizing the construction drawings and specifications for the project. Project plans have been permitted through the City of Sedona. The project is in the process of going out for advertisement, and is expected to advertise throughout December 2018 and part of January 2019.
